Vehicle Description

This awesome Mini Clubman has so many cool features like the twin rear doors that lead into the huge boot as well as a huge upgrade list that includes Chili Pack with heated half leather sport seats and a Media XL pack with bigger Sat Nav screen and USB plug in for your phone. The upgrades continue with LED daytime running lights, cruise control and parking sensors with optical display. Finished in metallic Blazing Red paint in contrast to our optional black 18" alloy wheel upgrade the Clubman is a car like no other with its individual styling an unorthodox practicality.
